WISCONSIN GRADUATE

Richard Ericson Daly City's New Asst. Engineer

Daly City's new senior civil engineer assumed his duties last week.

He's Richard G. Ericson, 32, a graduate of the University of Wisconsin with a background of professional experience in the states of Washington and California.

Ericson, whose salary here is \$719 a month, will be second in command to City Engineer Bill Chapman, a University of Illinois graduate.

The newcomer was appointed by City Manager Edward Frank with approval of the city council.

After graduating from Wisconsin in 1952 with a B.S. degree in civil engineering, Ericson worked for approximately one year as a naval architect at the Puget Sound Shipyard in Bremerton, Washington. After a brief term with the Blaw-Knox Corporation in Richmond, Washington, in 1953, he became assistant city engineer for the city of Kennewick, Washington. There he was responsible for designing and inspecting the construction of small buildings, streets and pipe-lines, working with subdivision engineers and contractors.

In January, 1956, Ericson returned to Richmond as design engineer for General Electric Corporation's Construction Engineering Operations, performing analyses of structural steel and reinforced concrete buildings, foundations and water-retaining structures. He also estimated costs of projects to determine proper job classifications and property evaluation. Ericson moved to California in June of 1958, where he be-

RICHARD ERICSON

came group leader and assistant supervisor of the Test Division of Aerojet-General Corporation's Facilities and Equipment Design Section in Sacramento. Here he was in charge of planning the preliminary and final designs of certain power communication and transportation facilities. In September, 1960, he joined Murray & McCormick, consulting engineers, Sacramento, as design engineer for subdivisions.

Ericson has set up temporary quarters for himself in Daly City. His wife and two children, now in Sacramento, will join him as soon as their house there is sold.

The new non-civil service employee is licensed with the state of Washington and an associate member of the American Society of Civil Engineers. In 1957 and 1958 he was an advisory member of the flood control committee at Kennewick.

Decision Due

How Much On Muni Pay Hikes?

What will it cost the city of Daly City to grant middle of the fiscal year salary raises to approximately 200 municipal employees?

The city council will have to consider:

1. If the wage hikes are approved, effective January 1, 1961, the fiscal budget, adopted last July, will have to be amended and new appropriations made for transfer of funds.

2. The approved increases would require a maximum \$30,000 and a minimum of \$14,800 from reserve funds — bulk of this general fund and water department reserves.

3. How would these additional allocations affect the "tight economy" status of the adopted budget?

4. What will the employees request for next fiscal year, starting on July 1?

The municipal employees union, with about 52 members from among 125 "miscellaneous" employees, is asking for a 2% increase for all these workers.

The police and fire association (36 firemen and 40 policemen) has requested 5 percent boosts and fringe benefits.

According to the city finance office, if the council grants flat 2 percent increases to all 200 city workers the amount necessary is \$12,000. If the firemen and policemen are granted what they ask the additional sum required for the six-months period will be \$82,000.

If both groups get what they seek the amount of funds will hit \$14,800.

Should all 200 employees gain 5 percent increases the figure would be \$30,000.

In the present fiscal budget, total municipal salaries amount to \$1,201,078—about 55 percent of the entire budget.

Police and fire salaries constitute 45 percent of the salary totals—\$531,631. Total salaries for the policemen and six crossing guards is \$287,450. For the fire department the total is \$244,163, plus \$7169 for volunteers.

Speed Demon Outpaces Cop

Driving at an estimated speed of 125 miles per hour, with headlights off, an impetuous Westlake youth outraced police in a wild two-mile chase along Junipero Serra boulevard last Wednesday morning.

The boy, 20-year-old Richard L. Hall of 1288 Southgate avenue, was apprehended at an Alameda boulevard service station early the next morning, when a police officer on routine patrol recognized the cat. Hall, kicking and shouting obscenities, had to be taken to the Daly City Police Station in handcuffs, according to police reports.

Officer Al Nicolini had spotted the speeding Corvette at 12:30 a.m. near the 88th avenue intersection of Junipero Serra. Hall escaped by turning right onto Randolph street, narrowly missing another vehicle in the process. Nicolini, traveling at 100 miles per hour himself, reported that Hall's car was virtually "walking away."

Hall, who has had his automobile license suspended once before, was cited for reckless driving and driving without headlights. Bail has been set at \$525 cash and \$1050 bond.

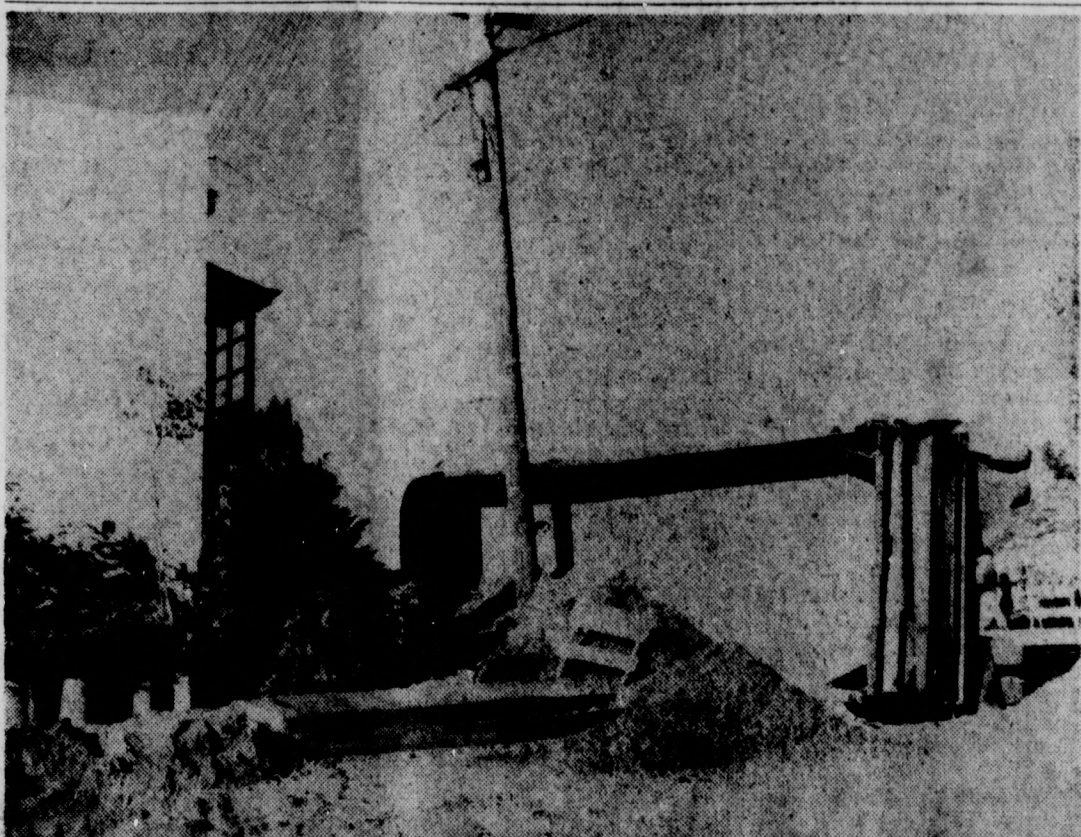

'Air Force Week'

The city council officially has proclaimed January 9-15 as "Air Force Week" in Daly City, urging residents to remember and support the role of the nation's principal peace preserver.

The Air Force Recruiting Office, 6268 Mission street, will be open "as usual for business," notes head man M-Sgt. Phil L. Wells.

Wells, T-Sgt. Willis B. Tipton and S-Sgt. James D. Killion, in addition to addressing local high schoolers, are available to discuss Air Force opportunities with interested students and graduates.

\$1 Million George Washington K-6 School Opens For 245 Youngsters

"I THOUGHT the whole kitchen was going to cave in," commented Mrs. Alfred Tiraschi, who was working at the sink in her home (left) at 242 Thiers street when this Low-

rie Paving Company gravel trailer collapsed onto her lawn. The incident occurred Thursday morning at the site of construction work on Thiers street near the Daly City Reservoir.

THE RECORD photo

Approximately 245 children trooped into brand new George Washington Elementary School's classrooms Tuesday morning as the \$1,073,000 facility made its debut under Principal Fred Schweickhardt.

The school, located between Whittier and Lowell streets on Daly City's east side, will accommodate 480 youngsters next September when redistricting will occur to determine its enrollment boundaries.

Transferred to Washington were three classrooms of Crocker area students who had been attending Westlake School, and four classrooms of youngsters from Crocker School.

Schweickhardt, long-time

principal of Benjamin Franklin Intermediate, has an initial faculty of seven teachers.

Harrod and Williams of Oakland constructed the new K-6 plant at a building cost of \$527,000. The site alone cost the school district \$546,000, and a major portion of it was the old Meussdorffer estate which burned down just prior to the clearing of the park-like property last year.

School District Superintendent Richard L. Foster and Dr. Vinton Stratton, director of instruction, inspected Washington Monday morning. Foster said all 12 classrooms and the kindergarten are completed "and all that remains to be done is painting and planting."

The superintendent, reminding that the district was "clear of double sessions for at least the next three years," reported that three other district construction projects are "moving on schedule."

Harrod and Williams are beginning the block-work construction of Christopher Columbus School at the corner of St. Francis boulevard and Skyline. This school will open next September. The site cost \$319,500 and the buildings \$830,000.

Also due for opening in September is M. Pauline Brown School on Eastmoor avenue in St. Francis Heights. The contractor is Mid-State Construction which already has begun the foundation. The school site cost \$140,000 and the buildings will amount to \$600,000.

The school district's new education center and main headquarters building, a \$300,000 undertaking, will be ready for occupancy this July. Stenmark Construction Company has begun foundation work at this site, across from Daly City Fire Station 5 on Lincoln avenue. The district's current headquarters is rented from Henry Doelger at 48 Park Plaza drive.

North County

Hospital Still Wants Local Site

Officials of Mary's Help Hospital, while disheartened over recent complications affecting relocation of the hospital, indicate they have "not given up" in their quest for a satisfactory site.

Three months ago the Mary's Help Administration purchased a 7½-acre parcel of Daly City land from Hugh and George Smith, but unexpected zoning restrictions prevented clear title on the property.

"However," reassured Lawrence Hoban, assistant to the administrator of Mary's Help, "we have lined up three or four alternate sites, and whether or not we select one of these we'll definitely follow through with our plans to relocate. The question now is, where are we going and how much will we be spending?"

Lawrence McDonnell, Lloyd Crisp Accept School Drive Chairmanships

Appointment of Lawrence R. McDonnell as publicity chairman and Lloyd E. Crisp as speakers bureau chairman of the "Citizens Bond Committee" for the joint Jefferson High and Jefferson Elementary School Bond Election, February 7, was announced today by R. E. Smice, general chairman.

A resident of Daly City, McDonnell lives at 170 Wilshire avenue. He is editor of PG&E Progress and has had considerable experience in publicity and publications work.

Crisp resides at 419 Del Mar avenue in Pacifica. He is in

the Speech and English Department at San Francisco State College. His experience in radio, film work and various speech associations is widespread.

Peter Markovich, endorsement chairman, pointed out that a number of individual and group endorsement requests are still outstanding and hoped they could be received this week.

Harry T. E. Bosberry, finance chairman, stated several appeals for funds are still unanswered, but feels confident favorable responses will be forthcoming this week.

The above appointments, according to Smice, will just about complete the "Citizens Bond Committee" staff which, of necessity, is a large one. Smice went on to say that "the committee has been vested with large civic responsibility which will affect everyone in the two school districts and therefore the wholehearted support and assistance of each and every voter in the several communities is solicited to accomplish the objective — a successful school bond drive."

More Polio Shots At Ben Franklin

Polio shots will be given at the Benjamin Franklin Intermediate School, in Broadmoor on Stewart street, this Saturday, January 7. Doors will be open between 9 a.m. and noon, and again between 1 and 4 p.m.

Shots will be available for those who haven't had their first one, and "second" and "thirds" for those who were inoculated last year.

Mrs. Richard Napoletano, president of the American Legion Auxiliary's Broadmoor Post 824, urges "first-timers" to make every effort to be at the school Saturday.

ELEMENTARY TEACHERS DUE 4 PERCENT SALARY BOOSTS

The Jefferson Elementary School Board, at a recent meeting, approved a 4 per cent increase in teachers' salaries, effective the fiscal year beginning July 1, 1961. The hikes mean \$80,000 more in salaries for the period.

The Board reviewed a proposal submitted by the Jefferson Classroom Teachers Association to raise salaries by 6 per cent, but decided upon the 4 per cent figure, agreeing to an additional increase pending possible receipt of additional

State funds via new legislation later this year. State funds—\$120,000 is anticipated—would be apportioned so that one third is applied to teachers' salaries, one third toward capital outlay, and one third to reduce the tax rate. The trustees agreed to discuss the matter further after the State Legislature makes its decision this June on financial support for education.

"The odds are good we'll get some aid," voiced superintendent Richard L. Foster, "but how much, we don't know."

Willits Street Man Asks City Crackdown On 'Howling Canines'

Leslie C. Village, long-time Daly City resident at 170 Willits street, complained to councilmen last week that the "barking and howling" of a neighbor's eight dogs has disturbed him "long enough" and "an investigation of the city's outmoded ordinances is in order."

Village charged, in a lengthy letter read to the council, that his protests about the canine noise had failed to produce any action by the humane society and police.

"The city's animal ordinance allows a person up to 25 animals except hogs," declared the articulate Village, "and it appears the humane society and police department have no authority to abate the problem I have complained about for several months."

"I think when the time comes that a city has a lack of practical and enforceable ordinances, then an investigation is in order. We citizens should have equal priority with our canine friends."

Village indicated that Police Officer Frank Murray had checked out the frequent complaints, but said no follow-through action was initiated by the police department. In other words, according to Village, the police had no authority to do anything about the situation. Likewise, the humane society took no corrective action.

City Attorney Paul Hupf explained to Village that existing city law on dogs requires

that they be leashed on the streets, but the ordinance still allows up to 25 animals per owner... including dogs."

"We did attempt to modify the animal ordinance a few years ago," recalled Hupf, "but an overflow crowd of pet owners flooded this council chamber to protest."

Hupf suggested that "noisy or boisterous" activity by dogs could constitute a nuisance, "and we can prosecute such violators if they are made fully aware of this provision and you sign a complaint based on this charge."

Hupf said he would make an attempt to discuss the complaint with the owners of the dogs and see if the problem can be eliminated.

If not, and Village signs a complaint, Hupf indicated—with council approval—that a warrant would be issued to the keepers of the allegedly "noisy" canines.

Daly City Now Has 44,791 Folks

According to the state, Daly City's present population is 44,791.

City Manager Edward Frank today said that's the figure the state used in channeling \$18,000 to Daly City for its share of motor vehicle license fees for the period June 30 to November 30 last year.

Foster told the Board that the three important considerations involved in apportioning funds—teachers, taxpayers and capital investment—will be effectively taken into account if more state aid materializes. The present tax rate of \$2.40, he estimates, will be reduced to \$2.34.

The 4 per cent salary increase will affect all teaching personnel except the district superintendent and two assistant superintendents, and will up the present starting teachers' salary from \$4830 to \$4900.

Police Arrest 2 After Slapstick Theft Attempt

Midtown Liquors, 7144 Mission street, victims of an attempted "till tap" last week, report after a quick count of the week's receipts, a missing sum of \$255.

The theft presumably had been foisted by the timely arrival of several customers and the sharp eye of co-owner Dora Bacigalupi who spotted one of the suspects with his hand in the cash register drawer. The suspect, Eugene Johnson, 35, of Richmond, obligingly returned the money he had taken, and after police had arrived to take him and his accomplice, Henry D. Boul, 37, into custody, the case appeared to be closed—until Louis and Dora Bacigalupi reported the \$255 loss.

The "till tap" incident, as confusing and droll as a scene from an old Charlie Chaplin movie, began when Toni Johnson, the wife of one of the suspects, walked into the shop and purchased a bottle of Coca Cola. After paying for it, she asked for a cigar. Mrs. Bacigalupi moved to the far end of the shop where the cigars were displayed. After she had made her selection, following a long moment of indecision, and Mrs. Bacigalupi had started back, Mrs. Johnson said "I want another one." The proprietress returned to the cigar counter.

During this transaction, Eugene Johnson entered the store. He assertedly reached into the then-open cash register. Mrs. Bacigalupi saw him out of the

(Continued on Page 2)

COUNCIL DENIES \$10,000 INJURY CLAIM FOR FALL ON STREET HERE

A \$10,000 damage claim for personal injury was denied by Daly City councilmen last week and referred to the city's insurance carrier.

Mercedes Zaldivar, 106 Morningside drive, filed the claim after suffering a broken wrist in a fall at the corner of Evergreen and Irvington streets. She said a hole in the street caused the mishap and holds the city negligent.

The council also approved a

\$329 insurance settlement due the city, resulting from an accident in December of 1958 in which Police Officer John Coleman suffered whiplash injuries and damage to the patrol car exceeded \$100. Attorney Thomas Bocci Jr. represented Coleman in the proceedings against the driver at fault.

In other agenda matters, the council:

1. Held off action on application for use permit for new and used car sales and storage at 6057 Mission street.

2. Granted use permits for Mobile gasoline station and sign at southeast corner of St. Francis boulevard and Southgate avenue, by 4-0 votes. Councilman DeBernardi abstained.

2. Posted action on application for use permit for four-unit apartment building on Mission street between Evergreen and Crocker avenues.

3. Granted use permit for sign at Mayfair market, 6967 Mission.

4. Closed public hearing on Frankfort street improvement project. Opened two bids, Bragado Paving, \$29,222, and Kunz Paving, \$29,662, then referred bids to city manager and staff for a recommendation at next council meeting.

5. Set January 23 meeting for public hearing on rezoning property on Hill street from R-3 to C-2, requested by Gateway Chevrolet.

6. Held over for more study final approval on map of Southern Hills subdivision's first homes, Unit 2-A.

7. Accepted notice of completion on the resurfacing of Mission street from San Jose avenue to the SF county line.

Council, Personnel Board Dates Told

A study session will be held by the Daly City council this Thursday night. Their first regular meeting for January is next Monday night at 8 o'clock at 75 Wellington avenue. Daly City's Personnel Board will weigh employee salary requests at their regular meeting Thursday night next week at City Hall, also at 8 o'clock.

Anti-Aircraft Piece Arrives; Any Mechanics?

Is there anyone in the house who can take apart a 19,000-pound anti-aircraft gun?

If so, contact City Engineer Bill Chapman on the double! Chapman and public works department helpers yesterday went to the Army Depot in Benicia, California, and towed back the 90-millimeter demilitarized weapon which will be placed at Marchbanks Park for the "playful use" of Daly City youngsters.

"We'll need an expert to help us assemble and disassemble the weapon," said Chapman. "The job isn't as easy as it looks."

Individuals who know something about maintenance of such weapons can be of help by calling Chapman, PL 5-0850.

This week and next the old gun will be checked out at the city corporation yard, Citrus and Niantic streets. Eventually it will be anchored down at Marchbanks Park.

Parents won't have to worry about any "dangers" as far as the gun is concerned. It isn't loaded—nor will it be. And all protruding objects attached to it will be eliminated so the youngsters won't get injured, Chapman explained.

Again, are there any old Army men in the audience?

Step forward and be counted!

SIPPING morning coffee in their dining room at 28 Northridge drive, Pacific Palisades, are Mr. and Mrs. Donald W. Johnson, grand prize winners in the 1960 Westlake Improvement Association's big Christmas decorations contest. The product of their combined talents is a unique "picture frame" window display, designed to represent a Christmas card when seen from outside the house.

Johnson, 29, sixth grade teacher at San Francisco's Sloat School, and recently back from England where he taught under a scholarship, was astonished when told he and his wife had won. "I thought we were just competing with others in the neighborhood," he commented. "I had no idea we'd come out first in all of Westlake."

THE RECORD photo

Thomas Dillon New KC Life Member

At a recent meeting of Fr. Peter C. Yorke Council 4119, Knights Of Columbus, Brother Thomas J. Dillon, San Bruno was presented with an Honorary Life Membership Certificate in the Order, by Thomas J. Dillon, Grand Knight.

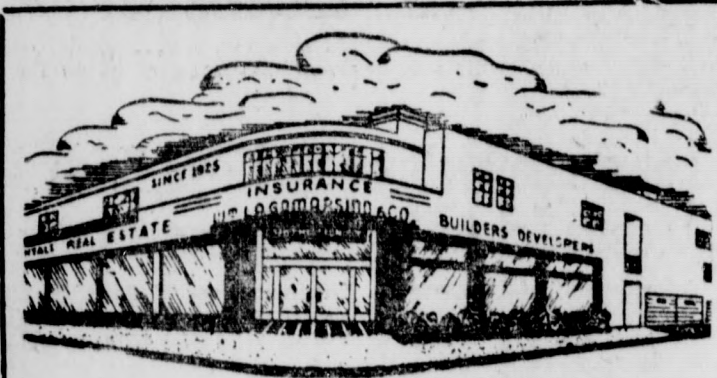

New Jersey was the first State to ratify the Bill of Rights, Nov. 20, 1789.

Knights Of Columbus just over 51 years ago in San Francisco, and has been an outstanding member since then, having transferred to Fr. Peter C. Yorke Council, South San Francisco, at its inception just over five years ago.

B'Nai B'rith members will have a treat in store for them when they attend the Skyline Chapter's initiation meeting January 10 at the Lake Merced Sports Center, Skyline boulevard. The program will include a skit, entitled "Around the World in 80 Minutes," previewed here by Mrs. Shirley Mayer (standing) and Mrs. Gloria Miller. These ladies, representing "Miss Switzerland" and "Miss Mexico" respectively, and four others will act out a six-way "international" telephone conversation in a salute to certain foreign countries. The countries, in addition to Switzerland and Mexico, are England, France, Belgium and Israel. The meeting will begin at 8 p.m.

DALY CITY LISTINGS WANTED

Wm. Lagomarsino & Co.

7100 Mission (Since 1925) PLaza 5-1100

Police Arrest 2

(Continued from Page 1)

corner of her eye, and rushed back, demanding, "Give me back my money!"

"What money?" Johnson feigned.

At that moment, two women, who it was later learned had been drinking at a nearby tavern, opened the front door, and noisily announced that they had "seen it all" and that Johnson should return the money. One of them closed the door and they both leaned against it. Then, Louis Bacigalupi, hearing the commotion, emerged from the rear of the store, and left toward Johnson. Johnson meekly returned the currency to Mrs. Bacigalupi, whereupon Bacigalupi downed the suspect and pinned him to the floor.

At this point Boulton arrived, pounded on the door, demanding to be let in. The Bacigalupis refused him entrance, although they were unaware of his part in the act, until three more customers arrived. Bacigalupi, still holding Johnson, opened the door, admitted the new arrivals, plus Boulton. Amid the confusion Mrs. Johnson, also presumed uninvolved, slipped out and returned to Richmond with her "coke" and two cigars.

Daly City police officers arrived immediately thereafter, having answered a call from the Bacigalupi's 14-year-old son.

At the police station Boulton admitted he was Johnson's accomplice, and both were booked for attempted theft. Mrs. Johnson, although believed to be involved, has not been cited.

While the Bacigalupis claim they are victims of actual theft, there is no evidence, police say, that Johnson did not return all the money he had taken.

Broadmoor Church Announces Weekend Events

Several events are being announced at the Broadmoor Presbyterian Church for this week end. Of special nature is a carnival of fun for everyone being held on Saturday, January 7, from 6:30 to 9 p.m. in the social hall. There will be ten game and refreshment booths as prepared and conducted by the High School Youth of the church of which Joe Rossio is president and Mrs. Dorothy Spratt and Mr. Ray Corona are advisors.

The other event of a serious nature is the observance of the Communion of the Lord's Supper at both the 9:30 and 11 o'clock Sunday worship services. At these services the church choir will sing. Minister Herbert Tweedie will preach and the church elders will assist in the serving of the communion elements as arranged by Ward McLeod and Rex Spruiell. All interested are cordially invited to these church events.

Baby Sitter Steals Watch, Coat; Ring Too?

A 14-year-old baby sitter was accused by a recent employer last week of stealing a \$200 diamond ring from his home. Nick Ciardello, 25, of 142 Werner street, reported that the girl had previously taken an automobile coat and a wristwatch, which she subsequently returned. The baby sitter has denied stealing the ring, however. Daly City police, who are now trying to contact the girl, report they intend to question her regarding the theft.

Woman Misplaces Expensive Ring

Florence Fennessey, 51, of 94 Palisades drive, Daly City, has reported the mysterious disappearance of a \$2300 emerald ring. The loss occurred sometime between December 7 and December 27, according to local police.

'Chestmobile' Served 28,622 During 1960

The Christmas Seal Chestmobile took 28,622 free chest X-rays in 1960, it was announced today by William Montgomery, case finding director for the San Mateo County Tuberculosis and Health Association.

Almost half of the minifilms—13,540—were taken in industrial plants. A total of 1592 films were taken in schools. (Those X-rayed were teachers and other school employees rather than students.) One hundred and twenty four X-rays were taken at Hillcrest Juvenile Hall. The balance of the films, 13,366 were in community set-ups for the general public in every town in San Mateo County. In these, 192 PTA members volunteered their time in assisting to fill out their X-ray cards.

The mobile X-ray unit operated 99 days in 1960, averaging 289 X-rays per day.

A report of the number of suspicious findings and of actual cases of tuberculosis, lung cancer, and other chest diseases found will be ready in March, Montgomery disclosed.

"Song Without End" Pianist To Perform At Capuchino HS

When purchasers of tickets for the third annual series of concerts to be held by the North Peninsula Concert Association were asked to state their preference for artists, a great majority noted on their subscription blanks that they would like to hear a "good piano soloist."

That the program selection committee heeded the wishes of the members will be best attested by the artist who will perform for the second in this year's series in the Capuchino High School auditorium next Wednesday night, January 11, at 8:15. The noted critic of one of San Francisco's newspapers refers to the artist as "the best you can reasonably hope to hear in this generation," in speaking of Jorge Bolet.

One yardstick of any pianist's stature is the number of important orchestras which engage and re-engage him as soloist, and Bolet has been featured soloist with the tops, both here and abroad—not once but many times.

One of the most outstanding performances of his career was presented recently, and the artist was not even seen. Known as one of the greatest living interpreters of the works of Franz Liszt, Bolet was selected by Columbia Pictures to record the score for the Cinemascope production "Song Without End" (The Story of Liszt), in which the composer is portrayed by the brilliant young English screen star, Dick Bogarde.

A permanent resident of another Peninsula community, Los Altos, Bolet had an unusual and signal honor paid him by musicians of the Royal Orchestra of Copenhagen, who, by centuries-old tradition give artists of which they approve a fanfare of brass instruments. Unaware of this tradition, Bolet stepped forward for his bow after his performance of Beethoven's 4th Piano Concerto, and suddenly a deafening roar of trumpets sounded behind him. Confused, Bolet retreated to the wings—only to be told that he had received an honor which had been bestowed before only upon such artists as Paderewski, Rachmaninoff, Gieseking and Edwin Fischer.

Admission to the Bolet recital is by membership card only, although it is believed the auditorium will be packed by those holding tickets of other Concert Associations with which the North Peninsula Group holds reciprocity agreements. Association members are thus assured of a notable concert treat with which to begin the New Year.

Mount Clark in Yosemite National Park was named for Galen Clark, first guardian of Yosemite when it was made a State park in 1864.

PALM SPRINGS HONEYMOON

Junette M. Anderson Of Colma Marries Wayne R. Cockerill

Hope Lutheran Church was the site of a double ring ceremony last month uniting in marriage Junette Margaret Anderson, 727 Stoneford drive, Colma, and Wayne Raymond Cockerill of San Francisco.

Pastor Louis C. Marting officiated. The couple's wedding reception was held at the Steak Pit restaurant. Their two-week honeymoon was spent at Palm Springs.

The bride is the daughter of Mr. and Mrs. Arthur T. L. Anderson of Benson, Minnesota. She attended high school in Benson and is employed as a medical secretary and lab technician in San Francisco.

The groom attended Lowell High in San Francisco, Lincoln High in Portland, Oregon, and Oregon State University in Corvallis. He is affiliated professionally with the Vermont

Marble Company and is a member of the Lincoln Park Golf Club of San Francisco.

Mrs. Richard Tucker of San Carlos was matron of honor for Miss Anderson. The groom was served by Ronald Christie of Eugene, Oregon, as best man. Chester Hynes of San Francisco and Gordon Butcher of Santa Barbara were the ushers.

Holy Angels Xmas Contest Winners Told

The Italian Catholic Federation, Branch No. 19, Holy Angels Parish in Colma, announces the winners of the best outdoor Christmas displays of a religious nature. The judging was done by Father Long.

First prize was won by Mr. and Mrs. Alfred Figone, 44 Werner avenue, Daly City. The trophy was donated by Gateway Chevrolet.

Second prize was awarded to Mr. and Mrs. P. J. Noll, 812 Heather road, Colma. Their trophy was donated by the 101 Club of Daly City.

Third prize went to Mr. and Mrs. Ralph Cappola, 415 88th street, Colma, and the trophy was donated by Bank of America in Colma.

The Italian Catholic Federation sponsored this contest and today a spokesman expressed "thanks" to all who participated.

DALY CITY MAN GETS BARS AS ARMY OFFICER

Alfred E. Kardos Jr., 23, whose wife, Betty, lives at 156 School street, Daly City, was commissioned a second lieutenant in the Army December 20 upon graduation from the officer candidate course at The Infantry School, Fort Benning, Georgia.

Lieutenant Kardos received 23 weeks of intensive training in tactics, leadership, logistics and administration in addition to undergoing a strenuous physical conditioning program.

The Infantry School, after 39 years of operation, continues to prepare a better infantry for the Army by initiating action leading toward the formulation of new, and the revision of old infantry, airborne and ranger doctrine and techniques—with emphasis placed on the art of command.

Lieutenant Kardos entered the Army in 1953 and was last stationed at White Sands Missile Range, New Mexico.

He attended George Washington High School, San Francisco.

Special Xmas Tree Disposal Service Jan. 11 In W'lake

Westlake Improvement Association's annual Christmas tree pick-up service will be done by scavengers on Wednesday night, January 11. All homeowners in Westlake are asked to leave the trees on the curb near the street. The trees should be placed there early that evening—not the next morning.

PALM SPRINGS was the honeymoon destination of Junette Margaret Anderson of Colma and Wayne Raymond Cockerill who exchanged wedding vows last month at Daly City's Hope Lutheran Church.

Milton Mann photo

17th District Of PTA Plans Annual Dinner

One of the most important events of 17th District, California Congress of Parents and Teachers, will be the annual dinner to be held Thursday, January 19, commencing at 7 p.m. at the Elks Club, 229 West 20th avenue, San Mateo.

The committee on arrangements, under the direction of Vice-president Mrs. L. E. Engleman with President Mrs. Forest Cunningham participating, are actively engaged in planning the affair. All units in 17th District will be represented.

The District was very fortunate to obtain as guest speaker Dr. Robert G. Gordon, Director of Educational Relations of the American Red Cross, Washington, D. C., who will discuss the topic, "We Open The Doors to New Frontiers to Children and Youth."

Doctor Gordon was appointed to his present post in 1959 and brings to the organization a wide background in the field of higher education. He received his A. B. degrees from Denison University and obtained his M. A. and Ed. D. degrees from Columbia University. During World War II, he served in the United States Navy, attaining the rank of lieutenant commander. Prior to his Red Cross appointment, Gordon served for four years at the University of Southern California as dean of men, associate dean of students and dean of students. Earlier, he had been associated with the University of Texas at Austin, The University of Redlands, Redlands, California, and Bucknell University, Lewisburg, Pennsylvania. He is a member of the American College Personnel Association and the National Association of Student Personnel Administrators. He has served as consultant to the Hogg Foundation of Mental Hygiene and serves now as consultant in student personnel services to a number of colleges. Gordon is also the author of numerous articles in student personnel journals.

The Italian Catholic Federation sponsored this contest and today a spokesman expressed "thanks" to all who participated.

DALY CITY MAN GETS BARS AS ARMY OFFICER

Alfred E. Kardos Jr., 23, whose wife, Betty, lives at 156 School street, Daly City, was commissioned a second lieutenant in the Army December 20 upon graduation from the officer candidate course at The Infantry School, Fort Benning, Georgia.

Lieutenant Kardos received 23 weeks of intensive training in tactics, leadership, logistics and administration in addition to undergoing a strenuous physical conditioning program.

The Infantry School, after 39 years of operation, continues to prepare a better infantry for the Army by initiating action leading toward the formulation of new, and the revision of old infantry, airborne and ranger doctrine and techniques—with emphasis placed on the art of command.

Lieutenant Kardos entered the Army in 1953 and was last stationed at White Sands Missile Range, New Mexico.

He attended George Washington High School, San Francisco.

Special Xmas Tree Disposal Service Jan. 11 In W'lake

Westlake Improvement Association's annual Christmas tree pick-up service will be done by scavengers on Wednesday night, January 11. All homeowners in Westlake are asked to leave the trees on the curb near the street. The trees should be placed there early that evening—not the next morning.

Corrosion-Resistant Nickel Nickel is second only to silver in resisting the corrosive effects of highly-concentrated caustic soda.

MORE LEGISLATION?

'Narcotics Offenders Still Getting Light Penalties,' Francis Reports.

The "clouds of confusion" about narcotics control legislation are likely to be blown vigorously around again at our coming session. The "half-truths, semi-facts, rumors and fantasies" which a joint legislative committee found to surround suppression of the illicit traffic may be dispelled by action on suggestions for improved and stronger laws which will be put before us.

For the past ten years, the narcotics evil has grown like a weed in California, until now our state has the greatest problem in the nation. Legislative committee after committee has commented on the rapid rate of increase. In 1955, total state felony arrests for narcotics violations were 7313; in 1959, 12155. During the first six months of 1960, they reached 6957, as compared to 5666 in the same months of the preceding year.

All of these committee reports emphasized the danger of the narcotics traffic to youth, and the growing menace it creates in juvenile delinquency. While marijuana continues to be the principal cause of youthful vice, it frequently leads to addiction to more dangerous drugs, and the percentage of youth authority wards using them shows a significant rise.

Penalties under our California laws for narcotics violations were stepped up in 1953 and again in 1954, but the results have not been what was hoped for. Even though our laws provide stiffer penalties for repeated violations, our legislative investigations by both Senate and Assembly groups reveal that in a shockingly large proportion of cases, prior convictions are disregarded, so the criminals get the lighter sentences of first offenders.

Our law enforcement officers have complained strongly that several State Supreme Court decisions interfere with adequate execution of anti-narcotics laws because they severely

restrict the use of unidentified informers, and make more difficult the use of search warrants. Others support these decisions as necessary to protect citizens against unlawful searches or seizures, or being "framed" into conviction by enemies.

Recently, another exhaustive study of the various narcotics problems has been made, and the many specific recommendations based on its results will undoubtedly be introduced as bills at our forthcoming session. Others, too, have produced proposals for basic changes in the laws, so we will have a variety of alternatives to consider.

The study pins responsibility for cutting off the sources of narcotics squarely on the federal government. It cites the undisputed fact that 100 percent of the heroin used in the state comes from outside its borders. More than 90 percent of the marijuana also comes from outside. It discounts the supposed importance of "crime syndicates" in the narcotics traffic, pointing out that any car-owner can obtain a plentiful supply south of the border, and detection is difficult at the many border crossing places.

Subject to heavy criticism is the commonly accepted theory that the "addict-peddler" is a poor "victim," who should be treated more leniently than the non-addict seller. The report states bluntly, "When the addict peddler is removed from the streets of California, the narcotics traffic will be substantially eliminated."

A minimum prison sentence of 10 years with no parole is recommended for any adult convicted of selling narcotics to a minor. Generally, elimination of paroles before the legal minimum sentence is served is also proposed. Some relaxation of law covering searches and informers is also suggested, but legalization of wire tapping even in narcotics cases is opposed.

Facts On Income Tax

Should you file a joint return?

If you were married on December 31, 1960, you may file a joint return with your spouse regardless of how long a time you have been married and regardless of whether or not your spouse has income.

If your net taxable income is over \$2000 a joint return will result in a lower tax.

In making a joint return you include all the income, exemptions and deductions of both the husband and wife. In heading the return you list both names. For instance: John J. and Mary M. Doe. Also, you show both social security numbers and both occupations if both have income. It is not necessary that both have income in order to file a joint return.

Husband and wife must both sign and date a joint return. Each assumes the responsibility for any tax due. If one does not pay, then the other must. If you are entitled to a refund, the check will be issued in both names.

OIL! OIL! OIL!

For a confused moment or two a family in an eastern city felt just like those Oklahoma Indians who strike it rich.

Returning from a short trip, according to the National Automobile Club, the family found their basement almost knee-deep in oil.

And how did all this come about? A deliveryman, who was supposed to deliver 100 gallons of oil to a house in the neighborhood, picked the wrong house and the wrong hole, and it was oil, oil, oil all over the place!

names and both will have to endorse the check before cashing.

In some cases it is not possible to secure the signature of your spouse directly on the tax return. It is possible to file a joint return without having your spouse actually sign the return itself. This is done by having the spouse sign Treasury Department form 936 which is an authorization to prepare, sign and file a joint income tax return.

A signed copy of this form 936 is attached to the return in lieu of the spouse's signature.

If any tax has been paid separately, by withholding or on an estimate, full credit may be taken on the joint return.

Local "Knights" Leader Honored

At a recent meeting of Fr. Peter C. Yorke Council 4119, Knights of Columbus, Brother Michael A. Broughall was presented with a plaque honoring him as, "Knight of the Year, 1959-60," by Junior Past Grand Knight, Patrick R. Maloney.

Brother Maloney paid high tribute to Brother Broughall's work during the past year, especially in the field of Public Relations. Under Brother Broughall's able leadership, Fr. Peter C. Yorke Council has attained a high reputation for its bulletin, "The Six Pointer," and for other Public Relations efforts.

Brother Broughall expressed his great pleasure at receiving this High Honor, and the affair concluded with refreshments being served.

Long Hours, Strategic Location Boosts Daly City Auto Business

By D. R. MURCHIE

Local automobile merchants, while they may disagree amongst themselves regarding the progress of the auto sales industry here, seem to be in universal accord to one matter: they would rather be doing business in Daly City than San Francisco.

When asked why, some dealers replied they didn't know others were evasive. But most, prefacing their reply with a "please do not quote me," answered that they favored Daly City's non-unionization of salesmen and consequently the allowance of longer working hours. San Francisco automobile salesmen are members of the Teamsters' Automobile Drivers' and Demonstrators' Union and oppose evening or weekend working hours.

A recent request on the part of San Francisco dealers for permission to stay open until 10 p.m. one night a week was voted down 4 to 1 by members of the union's Local 960. The San Francisco dealers had sought the late closing time on the grounds that suburban dealers have hurt their business by maintaining evening hours.

All Daly City new and used-car dealers carry on business until as late as 10 p.m. week days, and with one exception, all day Saturday and Sunday. The exception is William J. Sweeney & Sons, Studebaker dealers, who remain closed Sunday.

A few dealers cited as another reason they favored Daly City was that it lies between two important geographical sources of potential clientele—San Francisco and northern San Mateo County.

"Even on Sundays," commented one new-car dealer, "southbound San Franciscans who might not consider stopping off in other Peninsula towns en route, will drop in at our place and window shop. The same goes for north bound travelers."

The same dealer, however, lamented that on Sunday there was more window shopping than outright buying, which he attributed to the "two day weekend."

"When we were open Saturday only, a few years back," he explained, "we were doing a lot better than we are now in the two days together."

His answer to why he didn't continue operating on the Saturday-only basis was "competition. We have to do what the others do."

"Most men in the new-car business, however, seemed pleased with their weekend business. Some reported they were feeling the effects of the nation's current "recession," but that sales volume could still be labeled as "normal" and business "good."

Used-car merchants appeared more concerned about the alleged economic slump, claiming it had hurt their weekend business.

"Saturday used to be one big day," commented Jesse J. Good, owner of Volume Auto Sales, 6854 Mission street. "Now it's flat."

High School Board Opens New Year

Regular meeting of the Jefferson High School District board of trustees is scheduled next Monday, January 9, starting at 7:30 p.m. at 375 South Mayfair avenue in Westlake. Superintendent Edward Morgan reminds that all meetings are open to the public.

Several members of the used-car group expressed resentment toward their new-car competitors, all of whom maintain used-car lots.

Combined sales of all Daly City auto merchants totaled \$17,032,000 in taxable dollars for the calendar year 1960. City revenue, derived from a one per cent sales tax, in effect since April, 1958, would therefore approximate \$170,000. Daly City automobile buyers must pay a four per cent sales tax, a sum of the state's three per cent and the city's one per cent. The same four per cent applies to San Francisco sales, therefore Daly City dealers do not feel they have a competitive advantage over their big city competitors in this respect.

Up until December 31, 1960, only four other cities in San Mateo County—Millbrae, Burlingame, San Carlos and Redwood City—had levied a city sales tax. Most local auto dealers do not feel, though, that the 11 cities in the three per cent bracket posed a threat to them business-wise. And now they will have even less to worry about, with the establishment last Sunday of a uniform one per cent tax, affecting all remaining cities in the county.

DEDUCTIONS POSSIBLE

Revenue Chief Lists Average Sales Tax Payments Past Year

A table reflecting average state sales tax payments by district residents was announced today by Joseph M. Cullen, District Director of Internal Revenue in San Francisco.

Cullen said the table may be used as a guide by district taxpayers in claiming sales tax deductions on their federal income tax returns for 1960.

"Taxpayers who itemize their deductions instead of taking the standard deduction on Form 1040 or 1040W may find the table helpful in estimating the amount to claim for sales taxes on their returns," he said.

Cullen stated that the law requires taxpayers to substantiate any deduction claimed on their returns and if requested, they must be prepared to do so. Ordinarily, however, they will not be asked to produce records to support the sales

tax deduction claimed unless it exceeds the amount shown in the table.

Taxpayers who have questions on this subject may telephone their nearest Internal Revenue office, Cullen advised.

Adjusted gross income	Sales tax Payment
Under \$1,000	\$ 23
\$1,000 under \$1,500	\$ 23
\$1,500 under \$2,000	\$ 23
\$2,000 under \$2,500	\$ 33
\$2,500 under \$3,000	\$ 39
\$3,000 under \$3,500	\$ 45
\$3,500 under \$4,000	\$ 52
\$4,000 under \$4,500	\$ 57
\$4,500 under \$5,000	\$ 65
\$5,000 under \$5,500	\$ 71
\$5,500 under \$6,000	\$ 77
\$6,000 under \$6,500	\$ 83
\$6,500 under \$7,000	\$ 89
\$7,000 under \$7,500	\$ 95
\$7,500 under \$8,000	\$101
\$8,000 under \$8,500	\$107
\$8,500 under \$9,000	\$111
\$9,000 under \$9,500	\$117

\$9,500 under \$10,000	\$123
\$10,000 under \$11,000	\$131
\$11,000 under \$12,000	\$140
\$12,000 under \$13,000	\$148
\$13,000 under \$14,000	\$156
\$14,000 under \$15,000	\$164
\$15,000 under \$16,000	\$172
\$16,000 under \$17,000	\$179
\$17,000 under \$18,000	\$184
\$18,000 under \$19,000	\$189
\$19,000 under \$20,000	\$195

The above amounts include average sales tax payments at the rate of three percent for state sales tax and one percent for local sales tax. Residents in counties of Plumas, San Mateo and Siskiyou should reduce these amounts by one-fourth to arrive at an estimate of their state sales tax payments, since those counties last year did not have the one percent county sales tax. However, the residents of the cities in San Mateo and Siskiyou counties that impose the one percent sales tax may use the table above.

CAPUCHINO High School band's standard bearer, Judy Brockway, accepts week's allowance from six-year-old Mary Ann Rowland and a \$400 check from P. R. Taylor, San Mateo District Commercial Manager of Pacific Telephone. The company donation marked the start of gifts by major firms and industries in the Peninsula area. Mary Ann is the daughter of Burlingame

Police Sergeant William Rowland. A total of \$40,000 is being sought to send the band to Washington, D.C. for the inauguration parade. The Capuchino unit will perform at Westlake Shopping Center next week. Thomas Noonan, 478 El Dorado drive, PL 6-0726, is Daly City chairman for fund donations to aid the San Bruno high school.

State Attorney General Opposes Election Day 'Reading Tests'

Attorney General Stanley Mosk today recommended abolition of election day reading tests as a criterion for voting. Under Mosk's proposal, reading ability would be checked at the time the voter is registered and not in the booth on election day.

"Both major parties have expressed an interest in having as many eligible voters vote as is possible," said Mosk. "This proposal is designed to accomplish that purpose."

He noted that the California Constitution requires that a voter be able to read the Constitution in the English language. Additionally, the California Elections Code requires that a voter sign an affidavit at the time of registration that he can read the Constitution in the English language.

Mosk stated: "It is reasonable to assume that once a person acquires this skill it is unlikely that he will lose it. Therefore no good reason appears for leaving this as a ground for challenge on election day. Overly zealous poll watchers, and others, can use this device to delay and interfere with orderly voting procedures."

"All of the other grounds for challenge on election day cover situations which may have arisen after the time the voter has registered," said Mosk. "They should therefore remain as grounds for challenge."

Mosk stated that he had forwarded proposed legislation covering the matter to Assemblyman Robert Crown of Alameda, Chairman of the Assembly Elections and Reapportionment Committee.

Signals Soon For Dangerous Traffic Point?

The State Highway Division's San Francisco office today informed Daly City Manager Edward Frank that an agreement between the state and county is imminent on installation of traffic signals at the dangerous Eastmoor avenue-Junipero Serra intersection.

J. P. Sinclair, assistant state highway engineer, said plans for the signals will be submitted to the highway commission this month. Approval would lead to a closing off of San Fernando Way at Junipero Serra. A short lateral road connecting San Fernando Way to Eastmoor will be constructed between the Adams Paint Factory and the PG&E building. This new arrangement would eliminate the extreme dangers caused by the convergence of both San Fernando and Eastmoor into Junipero Serra and likewise would provide safer access off Junipero Serra into the two heavily-used streets.

Daly City officials urged the signals a year ago, but since the property involved lies within county jurisdiction, the negotiations between the state and county and the property owners have caused considerable delay.

'Rockhounds' Plan Saturday Hunt Near Livermore

The Daly City Rockhounds, a class sponsored by the Daly City Recreation Department, is planning a trip to Corral Hollow near Livermore, on Saturday, January 7. The purpose of this outing is to combine a family picnic with rock collecting. The Rockhounds, under the direction of Gene Myers, will be on the lookout for jasper, agate, calcite crystals, rhodonite, etc., which they can convert into beautiful jewelry. More information on this trip will be mailed to members of the class.

The Rockhounds' first meeting of 1961 will take place Monday evening, January 9, at War Memorial Community Center. Anyone interested in joining the class may call the Recreation Department, PL 5-0850, Ext. 18.

Westlake Association Meets Monday Night

Westlake Improvement Association's first meeting of 1961 will be held next Monday night, January 9, at 95 South Mayfair avenue. All Westlake homeowners are invited to attend the 8 p.m. session, urges WSIA chairman Emory Schoolcraft.

AROUND TOWN

By ROY HURLBERT

DALY CITY'S Mission street got a \$112,310 facelifting job last year. The city's share of the cost was \$24,310. The state assumed the rest.

CITY Engineer Bill Chapman Xmas-vacationed with his wife and four tots in his native Chicago. The thermometer read 13 above zero one day back there, and Bill, who doesn't own an overcoat, shivered like an Egyptian dancer.

Fog or otherwise, Daly City looks pretty good to returnees. JUDGE Aylett Cotton, on the Superior bench in San Mateo County since 1935, retired last Friday, ending a career of 64 years in the legal profession. Hizzoner is 86 years young.

FRANK Blum, a Daly City native son who lives in Westlake and as superior court judge handles the hottest cases in Redwood City, claims his son, a senior at Westmoor, is a refreshing "scholarly" type in this age of adulation for athletes.

The All-America compromise is a scholarly athlete. More and more of this nation's top athletes hit the books as hard as they hit the opposition.

REASON the 16 Peninsula cities are paying more attention to their individual civil defense programs is that there has been dissatisfaction with the way the county supposedly has "led" the project.

The cities recently urged the county to get off the dime and show some civil defense "leadership."

Otherwise, individual propertyowners will have to settle for individual bomb shelters. Paid for, that is, by the individual propertyowners.

MORE hats in the ring for the California Youth Authority vacancy—to be filled by Governor Pat Brown this spring.

The San Mateo County Democratic Central Committee has endorsed South San Francisco planning commissioner A. C. (Bud) Harrison for the \$18,500 job. Harrison, like SSF Councilman Leo Ryan, is a teacher at Capuchino High School.

Other local candidates for the appointment are Daly City Councilman Bob St. Clair (presumably next mayor in April) and Palo Alto resident George Monica. The Mexican-American Political Association is backing Monica.

The governor's decision certainly should have political repercussions—no matter whom he chooses.

SEVEN local school trustees will be up for re-election to four-year terms on April 18.

Terms of four members of the high school board and three members of the elementary expire. These folks are chairman Lyl Ingersoll, Ann Eason, Elio Fontana, Dr. Robert Rockstein, and the elementary board's chairman Frank Verducci, Thomas Noonan, and Katherine Mullen.

PRESIDENT-elect John Kennedy's cabinet averages 47 years in age (he's 43). His brother, new attorney general, is the youngest at 35.

Three cabinet appointees are outgoing governors—Hodges of North Carolina, Orville Freeman of Minnesota, and Abe Ribicoff of Connecticut.

WHICH side will "give ground" in the Westlake controversy involving the front yard of union official Jack Klein? The Association, according to president Emory Schoolcraft, prefers a "compromise." Let Klein argue his reasons for ivy-ing his premises before the Association's architectural committee and perhaps an armistice can be achieved.

If Klein doesn't agree to this procedure, then in order to prove its point and substantiate the Association's by-laws, the WSIA would have to go to court to make Klein comply.

Schoolcraft today says he hopes the last alternative won't be necessary. If it does occur, who can pre-judge the outcome?

DALY CITY'S most southwestern point is at Westlake Terrace (above) where construction of new sea-view homes is

nearing completion. Doelger Corporation also plans to build 700 new homes due south of Westlake Terrace north of

Edgemar freeway. A new elementary school site is mapped within this latter development. THE RECORD photo

BUSINESS SOLICITATIONS

ELMER KENNEDY AND RAY SAVAGE
TO LEAD LOCAL 'HEART' DRIVE

Daly City Fire Chief Elmer Kennedy and Broadmoor Police Chief Ray Savage have been appointed Heart-Days for Business chairmen in Daly City and Colma. The appointments were announced by Richard R. Liberty, San Bruno, county co-chairman for the Heart-Days for Business canvass.

The 1961 Heart-Days for Business campaign of Daly City-Colma firms and businesses will begin February 14. In early January volunteer business men and women will be asked to assist in this Heart Fund program.

"The business man has an important stake in the fight against diseases of the heart and blood vessels," said Chief Kennedy. "Annually, throughout the nation the loss to business from this number one health enemy exceeds \$1 billion. We can be certain that Daly City and Colma are not exempt from their share of the loss."

Kennedy continued, "the real hurt comes when business and industry are robbed of experienced executives and skilled workers. Machines, desks, typewriters, inventory and warehouses can be replaced when damaged by fire or flood. But the destruction of a man by

heart disease poses a special set of problems."

"Heart disease is no respecter of business size. The local business man as much an interest in protecting himself and his associates by investing in heart research as in any other form of insurance. We expect that Daly City and Colma business people will contribute to the Heart Fund as a worthwhile business investment," Chief Savage said.

DC Girl Scouts
Bring Cheer To
Orphaned Kids

Because they made others happy—they were happy, too.

Almost 70 Daly City Brownie and Intermediate Girl Scouts gladdened the hearts of orphan children at St. Joseph Mount by taking them gifts of handmade octopus dolls and bath soap, just prior to the holidays.

Five troops were represented, under the leadership of the Mesdames C. Hansen, M. Foster, R. Krauss, G. Solari, and J. Williams.

Special "thanks" went to Mrs. A. Clark for her efforts in collecting donations of candy and toys for distribution at the orphanage. The toys were donated by Sprouse-Reitz and Bob's Hobby Shop. Candy canes were donated by Mayfair Market.

Shipley and Davis Dance Studio provided an entertaining, hour-long program for the youngsters.

Founders Program
At California Club

On Tuesday, January 10, at noon, the California Club will hold its Founders Day luncheon. Guests of honor will be past president, At 2 p.m., the guest day program will be presented by Magana Baptiste and her troupe of East Indian dancers.

TWO WESTLAKE residents, officials of the San Francisco and Marin Counties Optometric Society, were among those given a preview of the new half million dollar, two-story plant of the American Optical Com-

pany at 141 Industrial street in San Francisco, built to serve the western United States, including Alaska and Hawaii. Dr. Harry J. Levin, second from left, and Dr. Bernard Monetta,

second from right, president-elect and public relations chairman, respectively, of the San Francisco and Marin Counties Optometric Society, reside in Westlake. Others shown are Dr.

Albert C. Stoltze, left, president of the Society; Ray McChesney, seated, general sales manager, and Fred Rinaldi, ophthalmic equipment manager for American Optical.

Xmas Gifts Reach 299 D.C. Kids
Thru "Operation Santa Claus"

Seventy-four local families in which were 299 children entrusted to the Community-backed "Operation Santa Claus."

Distribution of toys, turkey baskets, candy, fruit and clothing was directed by co-chairmen Fire Chief Elmer Kennedy and Insurance man Peter J. Markovich.

Firemen at the Lake Merced station assembled and refurbished a record number of bicycles, tricycles, scooters, and wagons. Seymour's Westlake Paint Company donated the enamel to make the vehicles shine like new.

The Lions Club, St. Vincent de Paul Society, South San Francisco Lodge of Elks, American Legion Auxiliary No. 410, Boy Scout Troop No. 243, Our Lady of Perpetual Help Church, St. Mary's Court Catholic Daughters of America and Vincent Merlo arranged for the turkey baskets.

Assisting in collection and distribution were John Muller, Roy Thomson and Jack Colthurst of the St. Vincent de Paul Society, Frank Tardelli, Sam

Grado, Wayne Alexander, Allen Brush, Mel Hanson, Fred Mather, Keith Schrock and Frank Specht of the Fire Department and Bud Pellissier, Tony Newhof and Bob Peyton of Westlake Catholic Men's Association.

In charge of packaging were Lee Hanson, Grace Winters, and Betty Cunniff of the ladies Auxiliary of the Daly City Fire Department, Dorothy Rehe of the Daly City Employees Union, Clare Navarro, Inez Thomas and Ruth Peterson of Nu Sigma Chapter of Beta Sigma Phi, Marjorie Chaney, Mary Fenech and Gladys Porter.

Supporting the effort to assure that no family in Daly City lacked the things that make a happy Christmas were the following organizations and benefactors:

Widows and Orphans Association of the Daly City Fire Department, Rotary Club, Westlake Catholic Men's Association, seventh grade students of Our Lady of Mercy School, St. Martin's Episcopal Church, Daly City Municipal Employees Union, Nu Sigma Chapter of Beta Sigma Phi, Holy Name Society of Our Lady of Perpetual Help Church, American Legion Auxiliary No. 824, Lake Merced Optimist Club, Ladies Auxiliary of Colma - Vista Grande Fraternal Order of Eagles, Deacon's Fund Broadmoor Presbyterian Church, Westlake Catholic Women's Association, Ladies' Auxiliary of the Daly City Fire Department, North San Mateo Insurance Agents' Association, Hegblade & Margueles Foundation, American Legion Auxiliary No. 410, Joe's of Westlake, Paramount Roofing Co., Westlake Bowl, Cub Pack No. 63 and the entire student body of Fernando Rivera School; Attorney Thomas Gallen, Judge William Sweeney, Chris McKeon, George McKeon, Dr. Leo Mahan, Elton McGraw, Dr. C. Mudrick, William Lagomarsino, Tom Tromborg, Poletti Realty Co., Fred L. Martin, Robert Hunter, Theodore Tronoff, Henry Doelger, Dr. Thomas Lewis, Ed Lane, Arnold Panela, J. R. Noted Bay Author
Speaks At Library

In presenting the noted bay area author, Mark Harris, to the community on Tuesday, January 17, 8 p.m. at the new library on Southgate avenue, Friends of the Library are doing something different for their first general meeting in the new year.

Rather than limit himself to a prepared text, author Harris has requested that he be permitted to work up his share of the program through a series of questions, preferably submitted in advance. It is also hoped that there will be sufficient time for additional questions from the floor. Incidentally, it is not too late to send questions to Friends' president, Mrs. Thomas E. Brewer, at 98 Wilshire avenue. The questions need not be signed.

Born in Mount Vernon, New York, the author has had a varied career including a term with the Army and served as newspaper reporter in New York, St. Louis and Albuquerque. Such workaday activities have not prevented his receiving his B.A., M.A. (in English at Denver) and a Ph.D. (in American Studies at Minnesota). Harris is married and the father of two children. He is the author of a number of stories, essays, articles and novels.

Among the latter are a series of baseball novels which received considerable critical acclaim, one of which "Bang the Drum Slowly" was later adopted to the television format. "I am a storyteller," says Mark Harris, and this ability will prove to be of great value to the audience at Friends of the Library's general meeting.

In accord with the Friends' policy, there will be no charge or donation asked. Refreshments will be served, during which time the audience will be able to become better acquainted with Harris.

Nickel Improves Cast Irons

Small amounts of nickel are commonly used in engineering gray cast irons to improve their foundry characteristics and machinability.

WESTLAKE CATHOLIC WOMEN MEET TO PREVIEW FAIRMONT OUTING

On Monday evening, January 9, Mrs. John Cresalia will preside over the first meeting of the new year for the Westlake Catholic Women. The meeting will be held in the parish hall of Our Lady of Mercy Church, immediately following the devotion to Our Lady of Perpetual Help at 8 p.m.

Social director and chairman of the January 21 luncheon and fashion show, Mrs. Milton Reiterman, will announce final plans for this major social activity planned by the women of the parish. Of prime interest will be the announcement of the names of the women and girls chosen to model the fashions at the show, which will be held at the Fairmont Hotel. Mrs. Robert Markey and Mrs. Ernest Cookston are the models chosen. Also, the second award, a mink boa scarf, will be modeled at the meeting, and the third prize, a Samsonite bridge set, will be displayed. The first prize is a \$250 merchandise order from H. Liebes and Co.

Reservations for this seventh annual affair will be taken this Saturday, January 7, at the parish hall, 1 Elmwood drive, from 10 a.m. to 4 p.m. Mrs. Frank Burns and Mrs. Floyd Madigan, reservations chairmen, advise all who wish to attend the fashion show to see-

Mormon Leaders To Address Conference Here

Elder N. Tanner, an assistant to the Council of Twelve Apostles, and Elder Donald Ellsworth, a member of the Church Welfare Committee of the Church of Jesus Christ of Latter-day Saints (Mormon) in Salt Lake City, will be the featured speakers Saturday and Sunday, January 7 and 8, in the San Francisco Stake.

Sunday's general sessions, to which the public is invited, will be held at 10 a.m. and 2 p.m. in the Stake House, 22nd avenue and Lawton street, San Francisco.

Conducting the conference will be Stake President Irvan G. Derrick, 408 Skyline drive, Daly City, California.

Elder Tanner was a prominent Canadian oil executive and civic leader, serving in the Alberta Legislature as Minister of Lands and Mines. He was called to his present church position on October 9, 1960.

Elder Ellsworth is a director of the famed Church Welfare Plan.

Saturday evening meetings will be for lay church leaders, devoted to the Church's local and world-wide missionary program and the Church Welfare Plan.

The Church maintains an extensive educational system and has erected 12 sacred temples in North America, Europe and Oceania, and operates farms, canneries and warehouses to care for the welfare of its members.

Since the translation of the Book of Mormon and restoration of the Church more than 130 years ago, membership has grown throughout the world to include thousands of flourishing congregations. An extensive building program is working continually on at least 600 churches to provide for its expanding wards and branches.

Throughout the world, the Church has more than 6,000 missionaries, mostly young men and women, serving from two to three years at their own expense.

has been assigned to the bank's office at Third and Brannan. Adams, a native Californian, joined the bank in 1947 and was promoted to assistant manager at the Stonestown office in 1952.

Mrs. Patrick Schofield, chairman of the rummage sale to be held March 18-20, reminds members that all rummage will be accepted at this meeting, but jewelry and paper bags are needed especially at this time by the rummage committee.

Chairman of the December cookie-candy sale, Mrs. Frank Kelechava, will give her report on this highly successful event. Hospitality chairman Mrs. Charles Boerio will be assisted by five women in welcoming new members to the group, and in serving refreshments to the large number of women expected at this first meeting of the year.

OLPH MOMS MEET AGAIN JANUARY 12

On Thursday night, January 12, at 8 o'clock the Mothers Club of Our Lady of Perpetual Help School will hold their monthly meeting. Business for the evening will consist of planning new activities for the remaining month of the school term.

Fashion show reports will be given. Members are asked to pay for their reservations at this meeting so tickets may be sold to the general public.

A hospitality session will follow the meeting. Mrs. John Coleman and Mrs. Ernest Da Rosa and the third grade mothers will be hostesses for the vent. All the mothers of the parish are invited to attend.

The Westlake Catholic Men will hold their annual stag crab cioppino dinner on Friday, January 13. This pre-festival event will be held in the parish hall of Our Lady of Mercy Church.

"Men Only" is the theme for the evening, with bibs and finger bowls provided for guests.

The dinner committee is expecting an overflow crowd, so tickets should be purchased at an early date. The price of the dinner is \$2.50 and tickets may be obtained by contacting Bob Foppiano, PL 5-7860, or Dino Tonelli, PL 5-8328.

Our Redeemer's Announces Jan. 8 Service

Our Redeemer's Lutheran Church has announced that their two identical worship services, at 8:30 and 11 a.m. Sunday January 8, will include the sermon, "Youth Great Insight," Sunday school, for all age groups will meet as usual at 9:30 a.m.

Special music by the Senior Choir will be directed by Robert Hall. Mrs. Maurice Turner will lead the Children's Choir.

The public is invited. Classes will be held on Wednesday at 8 p.m. and Albert Patten will be the instructor.

CONSOLIDATED SCHOOL BOND ELECTION AND APPORTIONMENT AUTHORIZATION NOTICE

Notice is hereby given to the qualified electors of JEFFERSON UNION HIGH SCHOOL District of the County of San Mateo, State of California, that in accordance with law, a bond election and an apportionment authorization election will be held on TUESDAY, the 7th day of FEBRUARY, 1961, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted, as Proposition No. 1, the question of issuing and selling bonds of said District to the amount of FOUR MILLION (\$4,000,000.00) Dollars, for the purpose of raising money for the following purposes:

- The purchasing of school lots.
- The building or purchasing of school buildings.
- The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repair.
- The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- The supplying of school buildings with furniture, equipment or necessary apparatus of a permanent nature.
- The permanent improvement of the school grounds.
- The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit, the providing of sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

At said election there will also be submitted as Proposition No. 2, the question of whether this Board shall be authorized to accept, expend and repay an apportionment in an amount not to exceed \$1,500,000.00 from the State of California under and subject to the provisions of Chapter 10 of Division 14 of the Education Code of the State of California.

Said bonds proposed to be issued and sold shall bear interest at a rate not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

The bond election hereby called has been and the same is hereby consolidated with the apportionment authorization election hereby called within the territory affected by said consolidation, to-wit, said School District; and the election precincts, polling places and voting booths shall be the same and only one form of ballot shall be used thereat which shall be in the form provided by the Governing Board of said District for use at said consolidated bond election and apportionment authorization election, which shall be set forth in the propositions hereby submitted to the qualified electors of said District. The election officers shall be the same for each election and said elections shall be held in all respects as if there were only one election.

For the purpose of holding said election, the District shall be and it is hereby divided into 32 Election Precincts, numbered as hereinafter described; and the persons hereinafter named being competent and qualified electors of said District, and of their respective Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

Jefferson Elementary School District Consolidated Precinct No. 1—GENERAL PERSHING SCHOOL, located at 631 Hanover Street, Daly City. Polls will be open from 7:00 A.M. to 7 P.M.

LEGAL ADVERTISING

Notice is hereby given to the qualified electors of JEFFERSON UNION HIGH SCHOOL District of the County of San Mateo, State of California, that in accordance with law, a bond election and an apportionment authorization election will be held on TUESDAY, the 7th day of FEBRUARY, 1961, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted, as Proposition No. 1, the question of issuing and selling bonds of said District to the amount of TWO MILLION (\$2,000,000.00) Dollars, for the purpose of raising money for the following purposes:

- The purchasing of school lots.
- The building or purchasing of school buildings.
- The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repair.
- The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
- The permanent improvement of the school grounds.
- The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit, the providing of sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

At said election there will also be submitted as Proposition No. 2, the question of whether this Board shall be authorized to accept, expend and repay an apportionment in an amount not to exceed \$7,000,000.00 from the State of California under and subject to the provisions of Chapter 10 of Division 14 of the Education Code of the State of California.

Said bonds proposed to be issued and sold shall bear interest at a rate not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

The bond election hereby called has been and the same is hereby consolidated with the apportionment authorization election hereby called within the territory affected by said consolidation, to-wit, said School District; and the election precincts, polling places and voting booths shall be the same and only one form of ballot shall be used thereat which shall be in the form provided by the Governing Board of said District for use at said consolidated bond election and apportionment authorization election, which shall be set forth in the propositions hereby submitted to the qualified electors of said District. The election officers shall be the same for each election and said elections shall be held in all respects as if there were only one election.

For the purpose of holding said election, the District shall be and it is hereby divided into 18 Election Precincts, numbered from 1 to 18 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said District, and of their respective Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

CONSOLIDATED PRECINCT NO. 1—OLYMPIA SCHOOL, located at 200 Northgate Avenue, Daly City. Polls will be open from 7:00 A.M. to 7:00 P.M.

Mateo College Offers New Series On 'Preparation For Childbirth'

A new series of classes in "Preparation for Childbirth" will be offered by the College of San Mateo, Extended Day Division, for expectant mothers, in three different locations starting January 9 and 31 and February 1.

The Monday evening class will open in the Physical Therapy Room at Peninsula Hospital from 7:30 to 9:30 p.m. on January 9; the Tuesday morning class will open at the Department of Public Health and Welfare in the multi-purpose room, 225 37th avenue, San Mateo, on January 31 from 9:15 to 11:15 a.m., and Wednesday evening classes will open on February 1 at the San Mateo County Medical Society building, 122 North El Camino Real, San Mateo, from 7:30 to 9:30 p.m. These classes, planned in conjunction with the San Mateo County Medical Society, will

consist of two-hour meetings and run for eight weeks.

Fathers are included in three of the classes in the series in these classes. An obstetrician, a pediatrician, and an obstetric nurse will give lectures. Films on pre-natal care and parenthood are presented and discussed on fathers' nights. The classes are designed to help expectant mothers learn breathing and relaxation techniques and correct posture during pregnancy and use of the muscles during labor. They are planned to relieve the apprehension that many new mothers feel by helping them to understand the natural changes taking place as the unborn baby develops.

All mothers must have written permission from their physician to be enrolled. Mothers are asked to pre-register so that the size of the class may be planned in order to give individual attention to each mother during the exercise sessions. Registration information may be obtained by calling the College of San Mateo, Extended Day Division, DI 2-1421 or Mrs. Arthur Imamoto, instructor for the course, FI 1-1955.

Ordinance No. 529

AN ORDINANCE PROVIDING FOR THE REGULATION OF THE ERECTION, CONSTRUCTION, REPAIR, ALTERATION, LOCATION OR MAINTENANCE OF SIGNS, BILLBOARDS AND OTHER ADVERTISING STRUCTURES WITHIN THE CITY OF DALY CITY; THE REVOCATION OF PERMITS; INSPECTION; AND REPEALING ORDINANCE 179 AND ALL OTHER ORDINANCES IN CONFLICT HERewith.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF DALY CITY AS FOLLOWS:

Section 1. Ordinance 179 and all other ordinances in conflict herewith are hereby repealed.

Section 2. DEFINITIONS. As used in this Ordinance, unless the context otherwise indicates, the following definitions shall apply:

Sign: The term "sign" shall mean and include every sign, billboard, ground sign, wall sign, roof sign, illuminated sign, projecting sign, and temporary sign, and shall include any announcement, declaration, demonstration, display illustration or insignia used to advertise or promote the interest of any person when the same is placed out of doors in view of the general public.

Illuminated sign: The term "illuminated sign" shall mean any sign which has characters, letters, figures, designs or outline illuminated by electric lights or luminous tubes as part of the sign proper.

Erect: The term "erect" shall mean to build, construct, attach, hang, place, suspend or affix, and shall also include the painting of wall signs.

Freeway: The term "freeway" shall mean a highway in respect to which owners of abutting lands have no right or easement of access to or from their abutting lands or in respect to which such owners have only limited or restricted right or easement of access, and which is declared to be such in compliance with the Streets and Highways Code of the State of California.

Landscaped Freeway: The term "landscaped freeway" shall mean a section or sections of a freeway which is now, or hereafter may be improved by the planting of at least one side of the freeway right of way of lawns, shrubs, flowers, ground cover, or other ornamental plant material.

Main Traveled Roadway of a Freeway: The term "main traveled roadway of a freeway" shall mean that portion of a freeway, including interchange roadways connecting a freeway with another, which is designed for the movement of large volumes of vehicular traffic, efficiently and safely at high speed, but not including frontage roadways, landscaped areas, or ingress or egress ramps connecting the freeway with other streets.

Section 3. PERMITS REQUIRED. It shall be unlawful for any person to erect, alter or relocate, within the City of Daly City, any sign or other advertising structure as defined in this Ordinance, without first obtaining a Use Permit from the City of Daly City in accordance with the provisions of Ordinance 294, the basic zoning ordinance of the City of Daly City, as the same now exists or as the same be amended.

Section 4. APPLICATION FOR BUILDING PERMIT. Application for building permits shall be made upon blanks provided by the City Engineer or his authorized representative and shall contain or have attached thereto the following information:

- (a) Name, address and telephone number of the applicant.
- (b) Location of building, structure, or lot in which or upon which the sign or other advertising structure is to be erected.
- (c) Position of the sign or other advertising structure in relation to nearby building or structures.
- (d) Two blueprints or ink drawings of the plans and specifications and method of construction and attachment to the building or in the ground.
- (e) Name of person, firm, corporation or association erecting structure.
- (f) Written consent of the owner of the building, structure or land to which or on which the structure is to be erected.
- (g) Any electrical permit required.
- (h) Copy of Use Permit approved by the City of Daly City.
- (i) Such other information as the Building Inspector shall require to show full compliance with this and all other laws of this City.

Section 5. ERECTION OF SIGNS. All signs erected within the City shall be erected in accordance with and in compliance with the Uniform Building, Electrical and other Codes and Laws as applicable, including the Zoning Ordinance.

Section 6. PERMIT ISSUED IF APPLICATION IN ORDER. It shall be the duty of the City Engineer or his authorized representative upon the filing of an application for an erection permit to examine such plans, specifications, other data and the premises upon which it is proposed to erect the sign or other advertising structure, and if it shall appear that the proposed structure is in compliance with all of the requirements of this Ordinance and all other laws of the City of Daly City, he shall then issue the building permit. If the work authorized under a building

LEGAL ADVERTISING

permit has not been completed within six (6) months after date of issuance, the said permit shall become null and void.

Section 7. PERMITS REVOCABLE AT ANY TIME. All rights and privileges acquired under the provisions of this Ordinance, or any amendment thereto, are mere licenses revocable at any time by the City Council and all such permits shall contain this provision.

Section 8. UNSAFE AND UNLAWFUL SIGNS. If the City Engineer or his authorized representative shall find that any sign or other advertising structure regulated herein is unsafe or insecure, or is a menace to the public, or has been constructed or erected or is being maintained in violation of the provisions of this Ordinance, he shall give written notice to the permittee thereof. If the permittee fails to remove or alter the structure so as to comply with the standards herein set forth, or as set forth within any of the building codes lawfully in existence in this City within ten (10) days after such notice, such sign or other advertising structure may be removed or altered to comply by the City Engineer or his authorized representative at the expense of the permittee or owner of the property upon which it is located.

The Building Inspector may cause any sign or other advertising structure which is an immediate peril to persons or property to be removed summarily and without notice.

Section 9. REMOVAL OF CERTAIN SIGNS. Any sign now or hereafter existing which no longer advertises a bona fide business conducted, or a product sold, shall be taken down and removed by the owner, agent, or person having the beneficial use of the building structure upon which such sign may be found within ten (10) days after written notification from the Building Inspector, and, upon failure to comply with such notice within the time specified in such order the Building Inspector is hereby authorized to cause removal of such sign, and any expense incident thereto shall be paid by the owner of the building or structure to which such sign is attached.

Section 10. EXEMPTIONS. The provisions and regulations of this ordinance shall not apply to the following signs, provided, however, that said signs shall be subject to all the provisions of the Zoning Ordinance in effect in this City:

- (a) Real estate signs not exceeding twelve (12) square feet in area which advertise the sale, rental or lease of the premises upon which said signs are located.
- (b) Professional name plates not exceeding two (2) square feet.
- (c) Bulletin boards not over twelve (12) square feet in area for public, charitable or religious institutions when the same are located on the premises of said institutions.
- (d) Signs denoting the architect, engineer or contractor when placed upon work under construction, and not exceeding sixteen (16) square feet in area.
- (e) Occupational signs denoting only the name and profession of an occupant in a commercial building, public institutional building or dwelling house, and advertising which is strictly incidental and subordinate to a lawful use of the premises on which it is located, including signs advertising services rendered or goods sold on the premises.
- (f) Memorial signs or tablets, names of buildings and date of erection when cut into any masonry surface or when constructed of bronze or other incombustible materials.
- (g) Traffic or other municipal and civic signs, legal notice, railroad crossing signs, danger, and such temporary, emergency or non-advertising signs as may be approved by the City Council.

Section 11. OBSTRUCTIONS. No sign shall be erected, relocated or maintained so as to prevent the free ingress to or egress from any door, window or fire escape. No sign of any kind shall be attached to a stand pipe or fire escape.

Section 12. SIGNS SHALL NOT CONSTITUTE A TRAFFIC HAZARD. No sign or other advertising structure as regulated by this Ordinance shall be erected at the intersection of any streets in such a manner as to obstruct free and clear vision, or at any location where, by reason of the position, shape or color, it may interfere with, obstruct the view of or be confused with any authorized traffic sign, signal or device; or which makes use of the words "Stop", "Look", "Drive-in", "Danger", or any other word, phrase, symbol or character in such manner as to interfere with, mislead or confuse traffic.

Section 13. FACE OF SIGN SHALL BE SMOOTH. All signs or other advertising structures which are constructed on street lines, or within five (5) feet thereof, shall have a smooth surface and no nails, tacks or wires shall be

LEGAL ADVERTISING

permitted to protrude therefrom, except electric reflectors and devices which may extend over the top and in front of the advertising structures.

Section 14. PROJECTING SIGNS. Every projecting sign shall be placed at least twelve (12) feet above the public sidewalk over which it is erected, and a distance not greater than two (2) feet from the face of the wall to which it is attached, measuring from the point of the sign nearest therefrom, nor shall any sign or point thereof extend nearer the curb line than three (3) feet.

Section 15. ADVERTISING STRUCTURES PROHIBITED ADJACENT TO FREEWAYS. No outdoor advertising structure, sign or other advertising structure shall be erected, constructed, relocated or maintained, regardless of the zone or district in which it is located:

- (a) If such structure, sign or other advertising structure is designed to have or has the advertising thereon maintained primarily to be viewed from a main traveled roadway of a landscaped freeway or the ingress or egress ramps thereto; or
- (b) If such structure, sign or other advertising structure, because of its location, size, nature or type, constitutes or tends to constitute a hazard to the safe and efficient operation of vehicles all using a freeway, or creates a condition which endangers the safety of persons or property thereon.

Section 16. EXISTING SIGNS. All signs, billboards or other advertising structures which do not conform to the regulations of this Ordinance, but which were constructed in compliance with previous rules and regulations, shall be regarded as nonconforming and may be continued, except that:

- (a) The provisions of this section shall not be construed as authorizing the continued maintenance of any sign, billboard or other advertising structure which is required to be removed by the provisions of section 9 of this Ordinance.
- (b) Within one (1) year from the effective date of this amendment to this Ordinance or within one (1) year from the date a freeway, or portion thereof, is opened to public travel, whichever date is later, all signs, billboards and other advertising structures which are in conflict with the provisions of this Ordinance, shall be removed, or shall be rearranged or relocated so as to eliminate a conflict. The City Council of the City of Daly City shall determine whether or not any of such signs, billboards or other advertising structures are in conflict with this Ordinance. If it is determined that any sign, billboard or other advertising structure is in conflict with the provisions of this Ordinance, and will conform with all the requirements of this Ordinance.

For the purpose of this subsection only, the terms "altered" or "reconstructed" shall not include normal maintenance; changing of the surface sign space of ornamental moulding; or the addition, construction, installation or changing of electric wiring or electrical devices, backgrounds, letters, figures, characters, or representation in cut-out or irregular form.

Section 17. PROCEDURE FOR PERMITS ADJACENT TO FREEWAY. No permit shall be issued to erect, construct or relocate any sign, billboard or other advertising structure, regardless of location, unless the City Council of Daly City shall have first determined that such sign, billboard or other advertising structure is not designed to have the advertising thereon maintained primarily to be viewed from the main traveled roadway of a landscaped freeway or the ingress or egress ramps thereto.

Section 18. EXCEPTIONS TO FREEWAY SIGNS. The provisions of this Ordinance shall not apply to any sign, billboard or other advertising structure which is painted or maintained on a building on which the advertising is limited to:

- (a) The name of the building whereon the sign is located.
- (b) The name of the person, firm or corporation occupying the building and type of business conducted by such person, firm or corporation.
- (c) The name of the product manufactured on the premises.
- (d) Advertising which is strictly incidental and subordinate to a lawful use of the premises on which it is located, including signs advertising services rendered or goods sold on the premises, but no such advertising or signs shall exceed twenty (20) square feet in area and shall have no mechanical or moving parts.

LEGAL ADVERTISING

This exception shall not be construed as permitting signs indicating the trade name, merchandise or service of any person or corporation who pays a consideration for the privilege of placing, maintaining or using any portion of said sign or painted advertising to the owner or occupant of the premises on which it is located.

Section 19. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this Ordinance or of the Code adopted hereby and made a part hereof is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council of Daly City hereby declares that it would have passed this Ordinance and adopted said Code and each section, subsection, sentence, clause or phrase of this Ordinance irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional.

Section 20. PUBLICATION. This Ordinance shall be published once within thirty (30) days from the date of its adoption and shall take effect thirty (30) days after its adoption. Publication shall be in The Record, a newspaper of general circulation published in Daly City.

INTRODUCED at a regular meeting of the City Council of Daly City on December 12, 1960, by Councilman DeBernardi.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Daly City on December 27, 1960, by the following vote:

AYES, Councilmen DeBernardi, Dennis, St. Clair, Verducci, Pacelli, NOES, Councilmen None ABSENT, Councilmen None FRANCIS P. PACELLI, Mayor of the City of Daly City

ATTEST: EVYLYN MOSMAN, City Clerk of the City of Daly City (Publish: January 5, 1961)

RIORDAN GUILD MEETS JAN. 10

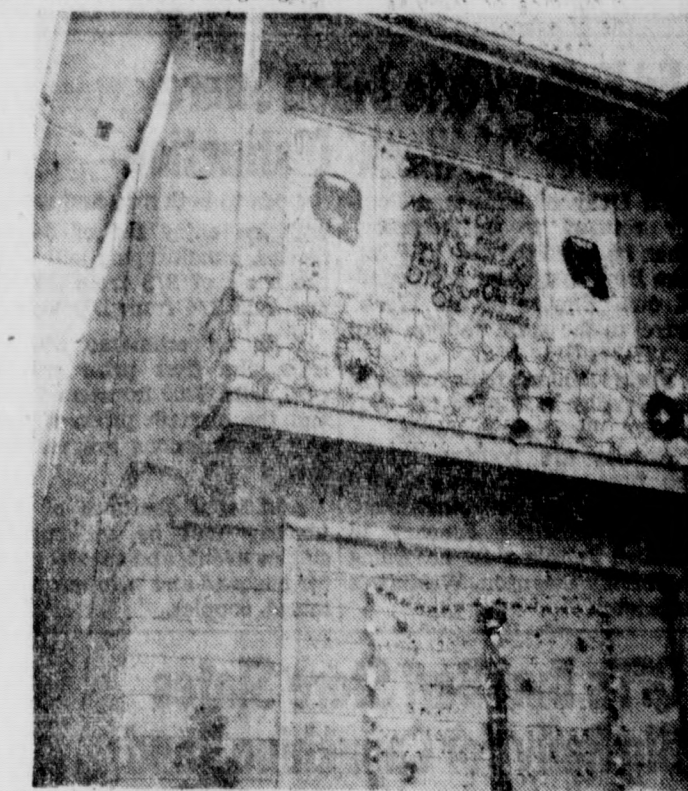

The first meeting of Riordan Guild for the new year will be held on Tuesday evening, January 10, at 8 o'clock in the school cafeteria.

A first of a series of an interesting new program will be presented to the Mother's Guild by Mrs. Frank Male, program chairman.

The Englemann spruce produces large seed crops every three to six years.

WINNERS of the St. Francis Heights annual Outdoor Christmas Decoration Contest, Mr. and Mrs. Robert M. Solovier, are pictured with their two children in their home at 480 El Dorado drive. Highlight of the design, shown here, is a Christmas message painted on the inside of the living room window. The Soloviers say they are "already full of ideas for a 1961 display."

Ursuline Alumnae To Formulate Plans
The first meeting of the new year for the St. John's Ursuline Alumnae Association will be held on Monday, January 9, at 8 p.m. in the school auditorium. All alumnae members are requested to attend this meeting so plans for 1961 can be finalized.

Nickel-Plated Equipment
Processing and transportation equipment is often nickel-plated to prevent product contamination.

requested to attend this meeting so plans for 1961 can be finalized.

DO NOT SCRAMBLE

At the breakfast table, scrambled eggs can really hit the spot. Scrambled financial affairs, though, are something else again. That's why it is usually best to make a sharp distinction between money you *invest* and money you want to *save*—the money you want to have immediately available under all circumstances. Put your investments wherever you think they'll earn the best return. But keep your *savings* where you know they'll always be accessible—in the bank.

SPORTS

LEAGUE QUINTS

Tribe Cagers Open Tourney Vs. Hillsdale

Gary Molossi and his Jeff High varsity basketball mates meet host Hillsdale in the opening round of the Peninsula League invitational tourney this Thursday night at 6.

The tourney continues through Saturday when the champion will be crowned.

Peninsula League play begins for Jefferson here Friday night, January 13, at 7:30 o'clock when the Indians collide with Burlingame.

Coach Mike Orlich's Daly City team is ranked with Capuchino as strongest choices for the 1961 title. Molossi, one of the best "shots" in the circuit when he was chosen "All-Peninsula" a year ago, again is the pace-setter. Hiram Sibbey, Alan Lee, Sonny Stoller and Bobby With complete the first string.

The Indians have all the assets—speed, balance and height.

BYA's Tigers won sixth grade honors in the city league basketball tourney. The lads above won four straight games. Top row (left to right): Jenot DeVolder, Mike Wynne, Bobby McKay, Craig McKay, Coach George Pedroni. Middle row: Eddie Montoya, Philip Chervellera, Sal DeLuca, Mike Miller. Front row: Barry Perrone, George Wallace, Nick Kosturos. Absent were Larry Dean Taylor and Guy Aronson. Miller was the top scorer with 15 points in the tourney.

CITY CAGE TOURNEY

Our Lady Of Mercy, BYA Tigers, PAL Bobcats, Parkmerced Champs

The Daly City Recreation Department's boys basketball leagues got underway last week with a preliminary tournament. Our Lady of Mercy's fifth graders, coached by Bob Eidler, captured the crown in this division.

In sixth grade play, George Pedroni's BYA Tigers won four straight games. Starkovich and Hernan led Rich Brewer's PAL Bobcats to the top of the 7th Grade Division by outlasting E. Heick's BYA Darts. The Darts downed OLPH 14-6.

The final evening of play found a tall Parkmerced team sweeping eighth grade division honors. Eddie (The Tank) Roseborough hit 24 points and teammate Dave Kenney got 22 as Parkmerced downed all their opponents.

Fifth Grade Results
OLM 6, BYA Hotshots 2.

Sixth Grade
BYA Tigers 6, OLM No. 1 4.
BYA Bears 6, OLM No. 2 4.
PAL Oilers 10, BYA No. 3 1.
BYA Tigers 10, BYA Bears 4.
OLM No. 1 8, BYA No. 3 0.
PAL Warriors 8, OLM No. 2 3.

Seventh Grade
PAL Bobcats 8, BYA Darts 1.
Foghorn's 5, BYA Pistons 4.
OLM 5, OLPH 2.
PAL Bobcats 10, Foghorn's 7.
OLM 4, BYA Darts 4.
OLPH 3, BYA Pistons 0.
Foghorn's 2, OLM 1.
BYA Pistons 6, PAL Bobcats 6.

Eighth Grade
OLPH 13, PAL Celtics 9.
Parkmerced 20, BYA Patriots 8.
PAL Celtics 19, BYA Patriots 6.
Parkmerced 20, OLPH 11.
OLPH 15, BYA Patriots 4.
Parkmerced 18, PAL Celtics 17.

DALY CITY PAIR FINISH ADVANCED MARINE TRAINING

Marine Private Paul M. Majourau, son of Mr. and Mrs. Paul Majourau of 15 Westmont drive, Daly City, and Pfc. Clare R. Root, son of Mr. and Mrs. Walter Soto of 330 Woodrow street, completed four weeks of individual combat training December 16 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

HELEN "Dodo" Olson, former wife of ex-middleweight world boxing champion Carl "Bobo" Olson, is among 21 finalists in the American Legion 40 & 8 Society's "Queen of Industry" contest. The queen will be crowned on January 14 during a coronation ball at the American Legion building in Redwood City. Candidates are all Peninsula "working girls" nominated on the basis of personality, charm, industriousness and wide acquaintances. Helen works for a Daly City restaurant on Junipero Serra boulevard. She resides on South San Francisco with her four children. The queen, incidentally, will be the contestant who sells the most tickets to the Legion fund-raising event. All proceeds go to the Legion's student nurse scholarship and aid to handicapped children programs. Anyone wishing to help two causes—the charitable drives and Helen, can purchase tickets from her. The number to call is JU 3-0878 and the address is 717 Miller avenue, South San Francisco.

Krohn Hits Nineteen As Westmoor Varsity Defeats Alumni Squad

Westmoor High's varsity cagers, gunned by Barry Krohn's 19 points, defeated the school's alumni squad last Friday night before 500 fans in the Ram's gym.

Marine Clark Beerman, 6-4 1/2, paced the graduates with 13 points. Scott Schackelford had 10 and Mike Daniels 8 for Coach Tony Giammona's varsity.

The alumni included Bill Dougherty, Pete Daniels, Dick Reese, Larry Schoenfeldt, Gary Tweedie and Larry Harper.

Giammona's squad this Thursday opens play in the Peninsula League tournament at Hillsdale. The Rams face powerful Capuchino in first round action at 3 p.m. Tourney champ will be determined Saturday.

Boys 9 And Under Eligible For New Bantam Bowl Loop

During the past month Westlake Bowl has been registering boys 9 years old and under for a new bantam league to start this Saturday, January 7, at 10:30 a.m.

Twenty-two boys have signed up and 20 to 25 more can be accommodated, according to director Bob Sexton.

Parents wishing to register their boys are asked to call Sexton at the Bowl, PL 6-5777.

Randy Wilcox, Sandy Amstutz Win W'Lake Holiday Tourney Honors

More than 160 bantams, juniors and seniors participated in Westlake Bowl's 14th annual Christmas tournament.

The outstanding score for the three-day event was chalked up by Randy Wilcox. In senior doubles competition he rolled games of 188-164-244 for a 569 scratch series.

His average for nine games was 183—11 pins over his usual 172 average.

Seventeen-year-old Sandy Amstutz captured tourney honors for the female set. Teamed with Randy in the senior mixed doubles, Sandy posted a 210-179-146 card for a 535 scratch total. This was the second highest feminine effort in Westlake Bowl's history. Pam Witt, who shot a 591 series two weeks ago, is the leading lady.

Christmas tourney winners, by divisions:

Bantam Boys Singles, Kent Greulich, 322; Bantam Girls Singles, Jerry Lee Morris, 312; Junior Boys Singles, Dave Smith, 558; Junior Girls Singles, Joanne Pollat, 517; Senior Boys Singles, Jim McFadden, 597; Bantam Doubles, Bob Hood and Bill Kitchen, 613; Mary Glass and Karen Luepp, 580; Junior Doubles, Dave Smith and Fred Neubert, 1134;

SERRA BOWL READY HERE NEXT APRIL

The Daly City area's second big kegling palace, Serra Bowl, a 44-laner, will have its grand opening in mid-April, its general manager, Rex Golobic, announced today.

Serra Bowl, across from the Eastmont avenue-Junipero Serra intersection, will have a coffee shop seating 58, a dining room accommodating 125 people, and parking space for 300 autos.

Installation of the Brunswick lanes is to begin next month and should be finished in March.

Golobic also operates Downtown Bowl in San Francisco.

Fifth Annual Santa Clara Valley Sports-Travel Show Begins Friday

The third annual Santa Clara Valley Boat, Sports & Travel Show will open at 6 p.m. Friday (Jan. 6) in Fairgrounds Exposition Hall, San Jose, continuing through Sunday night with boat displays, demonstrations of trailers and camping supplies, films of auto racing and sports, and regular stage shows.

All exhibit space was sold out early to boat manufacturers and dealers, and a vast expanse of boats, boat accessories, motors, heaters, safety equipment and special features will greet the expected crowd of 20,000.

Bob Barkheimer, show manager, said tickets booths will be in a sheltered area if it should rain. Convenient free parking space for 4000 cars is provided. The big hall is heated throughout, with refreshment booths, comfort stations and necessary conveniences.

Featured in this year's show will be skin divers who attracted national attention when marooned overnight on an offshore island during a sudden Pacific storm but who finally swam ashore to complete their outing. Members of the San Jose Skindivers Club will have continuous demonstrations.

Boat enthusiasts will find several record-setting drag race boats on hand, with their pilots to explain this new competitive sport and tell how these boats can roar to speeds of better than 110 miles an hour from a standing start on a quarter mile marine stretch.

Two gun exhibits, one of anti-tank and ordnance weapons and the other of collector items such as revolvers carried by General Custer at the famous "last stand" will be part of the varied show.

Sports fans will see the Santa Clara County Archery Club, headed by Bill Freeman, in bow and arrow prowess. Water and snow skiing equipment will be on display. In addition, there will be continuous movies of auto racing and 49er football in the Exposition Hall "theatre."

A weight-lifting contest has been added to the Sunday stage show lineup. Regular stage shows afternoon and night will include "Oink, the Singing Pig."

COW PALACE PLANS ANNUAL SPORTS SHOW

The 17th edition of the San Francisco National Sports and Boat Show will take over all six buildings for the first time—a total of 400,000 square feet of exhibition space—at the vast Cow Palace, February 3 through 12.

The huge San Francisco marine exposition is ranked as one of the world's five great shows, and second in size nationally.

Thomas Rooney, manager of the San Francisco show for 15 years, has attended all five: The National Motor Boat Show staged in the New York Coliseum, the London Boat Show at Earl's Court, the Salon de Nautique at the Grand Palais in Paris, and the Chicago National Boat Show held in the International Amphitheatre. The San Francisco show is rated by leaders in the marine industry as the most handsome presentation of boating in the world.

"This year's outdoor exposition will feature 400 exhibition booths, more than ever before, and a 33 1/2 per cent increase over last year," said Rooney. For the first time the large New York Boat Show exhibitors will move directly to the San Francisco Cow Palace following the close of the big East Coast event in January.

Last year's show was visited by over 300,000 outdoorsmen, boating enthusiasts, and their families from the eleven western States.

The booming family interest in boats, fishing, hunting, camping and all outdoor activities in the West is expected to boost this year's attendance to a new record high.

Doors will be open weekdays from 2 p.m. until 11 p.m.; Saturdays from 11 a.m. until 11 p.m.; and Sundays from 11 a.m. until 7 p.m.

BEGINNERS FOLK DANCE CLASS SET

Another folk dance class for beginners will start Friday, January 13, from 7:45 to 10 p.m. at War Memorial Community Center on Mission street in Daly City.

This class is starting now instead of next September in order that June graduates of this six months series will not only be eligible for membership in the El Camino Reelers Folk Dance Club, but will participate actively in the Folk Dance Festival scheduled in October to celebrate Daly City's 50th birthday. The charge is 50 cents per couple. Singles are always welcome, but extra men are especially needed for the beginning class.

If you are already a folk dancer, drop in any Thursday to meet the El Camino Reelers. Right now they are working on the "Hambo" which is the favorite of all advanced folk dancers. There is time out each week for a friendly cup of coffee, and once a month there is a party with something extra in the way of refreshments.

For further information, call Elsie MacLaren, director, PL 5-0665.

DEATH RIDES BY YOUR SIDE

Leave drinking alone if you're going to be driving, and driving alone if you've done some drinking, advises the National Automobile Club. Drive after drinking and Death rides by your side.

NEW YEAR'S RESOLUTION

Add the habit of safe driving to your list of New Year's resolutions, advises the National Automobile Club.

QFI's Buri Buri Store Slates Big Rally For Capuchino Band As Fund Drive Hits Homestretch

QFI Stores Inc. will present its "Cap To Capitol" rally this Saturday at the Buri Buri store—a fund-raising spectacle from 1 to 4 p.m. to aid the fund drive for the 117-member Capuchino High School band which will perform in the inauguration parade at Washington D.C.

John H. Musso, president of the QFI chain, will present the band with a \$500 check and spectators at the concert and marching exhibition can contribute to the campaign.

Leo Musso, secretary of the QFI firm, urges a big turnout at the Buri Buri event.

Calif. Hunters and Fishermen Came Home 'Loaded' During '60

The deer season tag count showed there was no shortage of deer in most areas of California in 1960.

Hunters bagged 75,584 bucks, making it the second best year on record, with the total only 18 shy of the all-time record, set in 1954. Moreover, it was the second consecutive second-best year for California hunters, who got 73,483 bucks in 1959. Favorable hunting weather and concentrations of deer in areas accessible to hunters were among the main factors in the big 1960 season.

Developments that may brighten the future of king salmon fishing also highlighted the year. King salmon were showing signs of making a comeback in both the ocean and river sport fisheries, with big runs in the main rivers. There was a very big run at Nimbus Hatchery near Sacramento this fall, but the run was predominately male and the egg take, while good, was not as good as it could have been had there been proportionately more females.

An all-time record of 35,690,000 trout and salmon, most of them fingerlings, were planted in fiscal 1958-59. Another record showed 1959 was record year in another way, with 1,464,400 fishing licenses sold.

A project the Department hopes will eventually restore Lake Tahoe as a mecca for anglers began last fall with the planting of trout of various species and sizes. Checks will be made to determine the best return to the angler's creel, in order to establish the best species and sizes for stocking the lake. This cooperative project with the State of Nevada followed discussions between the fish and game commissions of California and Nevada.

Development of a new sport fishery and rescue of an unusual fish in its way to extinction were the twin results of the Eagle Lake Project, which was financed by the Wildlife Conservation Board. The Eagle Lake Trout is making a comeback under the project. The fish is found only in Eagle Lake.

Ocean sport fishermen set new bag records for barracuda, bonito and yellowtail. The future of the Pismo clam looked brighter, with reports of the first good set of these clams since 1944.

The ocean shrimp catch was the best on record, with more than one and three-quarters million pounds landed. The shrimp fishery is regulated by the Fish and Game Commission. It was developed through research and exploration by the Department.
